ANSEL ADAMS

FIAT LUX

In 1963, Ansel Adams and Nancy Newhall were commissioned to produce a book to commemorate the centennial celebration of the University of California campuses and its many research field stations (McGraw Hill Book Company, 1967). BUX is currently offering 16 images from this collection from which high-end reproductions can be purchased. Proceeds help support the museum programs and collections.

8 X 10 MATTED PRINT $100

11 X 14 MATTED PRINT $150

Bell Tower with the Arches at the Library Building, UC Riverside 1966
